To the Stockholders of First Eagle Alternative Capital BDC, Inc.:

You are cordially invited to attend the virtual 2022 Annual Meeting of Stockholders of First Eagle Alternative Capital BDC, Inc. to be held online on June 16, 2022, at 11:00 a.m., local time at the following website: www.virtualshareholdermeeting.com/FCRD2022. Only stockholders of record at the close of business on April 21, 2022 are entitled to notice of, and to vote at, the virtual meeting or any adjournment or postponement thereof.

Details of the business to be conducted at the meeting are given in the accompanying Notice of Internet Availability of Proxy Materials.

It is important that your shares be represented at the meeting. Please follow the instructions on the Notice of Internet Availability of Proxy Materials and vote via the Internet or telephone. We encourage you to vote via the Internet as it saves significant time and processing costs. However, the Notice of Internet Availability of Proxy Materials includes instructions on how to request a hard copy of the proxy statement and proxy card for the meeting free of charge, and you may vote your proxy by returning your proxy card to us after you request the hard copy materials. Instructions are shown on the proxy card. Voting by proxy does not deprive you of your right to participate in the meeting.

Sincerely,

PROXY STATEMENT

Virtual 2022 Annual Meeting of Stockholders

General

We are furnishing you this proxy statement in connection with the solicitation of proxies by our Board of Directors for the virtual 2022 Annual Meeting of Stockholders (the "Annual Meeting"). We are first furnishing this proxy statement to stockholders via the Internet on or about April 26, 2022. In this proxy statement, except where the context suggests otherwise, we refer to First Eagle Alternative Capital BDC, Inc. as the "Company," "First Eagle," "we," "our" or "us" and the Board of Directors as the "Board."

We encourage you to vote your shares by following the instructions on the Notice of Internet Availability of Proxy Material or by granting a proxy (*i.e.*, authorizing someone to vote your shares). If you provide voting instructions, either via the Internet, by telephone or by requesting, signing, dating and returning a proxy card, and the Company receives them in time for the Annual Meeting, the persons named as proxies will vote the shares covered by the proxy card in the manner that you specified. **If you give no instructions (*i.e.*, for, against, withhold or abstain) on a duly signed and dated proxy card, the shares covered by the proxy card will be voted FOR the election of the nominees as directors and FOR the other matters listed in the accompanying Notice of Annual Meeting of Stockholders.**

Why is the Annual Meeting being webcast online?

Due to the public health impact of the coronavirus outbreak (COVID-19) and to support the health and well-being of our stockholders and other participants at the Annual Meeting, this year the Annual Meeting will be a virtual meeting of stockholders held via an audio webcast. The virtual meeting will provide the same rights and advantages of a physical meeting. Stockholders will be able to present questions online during the meeting, providing our stockholders with the opportunity for meaningful engagement with the Company.

How do I participate in the virtual meeting?

To participate in the meeting, you must have your 16-Digit Control Number that is shown on your Notice of Internet Availability of Proxy Materials or on your proxy card if you elected to receive proxy materials by mail. You may access the Annual Meeting by visiting www.virtualshareholdermeeting.com/FCRD2022. You will be able to submit questions during the meeting by typing in your question into the "ask a question" box on the meeting page. If you encounter any difficulties accessing the virtual Annual Meeting during the check-in or meeting time, please call the technical support number that will be posted on the virtual shareholder meeting log-in page. Technical support will be available starting at 10:45 a.m. local time. You may also obtain information regarding access to the Annual Meeting by contacting our Secretary at sabrina.carlson@firsteagle.com. This Proxy Statement contains information about the items stockholders will vote on at the Annual Meeting.

Will I be able to participate in the virtual meeting on the same basis I would be able to participate in a live annual meeting?

The virtual meeting format for the Annual Meeting will enable full and equal participation by all our stockholders from any place in the world at little to no cost. In light of the ongoing uncertainty around COVID-19, we believe that holding the Annual Meeting online provides the opportunity for participation by a broader group of stockholders while our ability to hold an in-person meeting is uncertain.

[Table of Contents](#)

We designed the format of the virtual meeting to ensure that our stockholders who attend our Annual Meeting will be afforded the same rights and opportunities to participate as they would at an in-person meeting and to enhance stockholder access, participation and communication through online tools. We will take the following steps to ensure such an experience:

- providing stockholders with the ability to submit appropriate questions in advance of the meeting to ensure thoughtful responses from the management and the Board;
- providing stockholders with the ability to submit appropriate questions real-time via the meeting website, limiting questions to one per stockholder unless time otherwise permits; and
- answering as many questions submitted in accordance with the meeting rules of conduct as possible in the time allotted for the meeting without discrimination.

Annual Meeting Information

Date and Location

The Annual Meeting will be a completely virtual meeting. There will be no physical meeting location and the meeting will only be conducted via live webcast. The Annual Meeting will be held online on June 16, 2022 at 11:00 a.m., local time, at the following website: www.virtualshareholdermeeting.com/FCRD2022. To participate in the Annual Meeting, visit www.virtualshareholdermeeting.com/FCRD2022 and enter the 16-Digit Control Number included on the proxy card you received, or in the instructions that accompany your proxy materials. Online check-in will begin at 10:45 a.m. local time. Please allow time for online check-in procedures.

The virtual meeting platform is fully supported across browsers (Microsoft Edge, Firefox, Chrome and Safari) and devices (desktops, laptops, tablets and cell phones) running the most updated version of applicable software and plugins. Participants should ensure that they have a strong WiFi connection wherever they intend to participate in the Annual Meeting. Participants should also give themselves plenty of time to log in and ensure that they can hear the streaming audio prior to the start of the meeting.

Availability of Proxy and Annual Meeting Materials

This proxy statement and the accompanying annual report on Form 10-K for the year ended December 31, 2021 are also available at the following website that can be accessed anonymously: www.firsteagle.com/FEACBDC.

Purpose of Annual Meeting

At the Annual Meeting, you will be asked to vote on the following proposals:

1. To elect Christopher J. Flynn, Edmund P. Giambastiani, Jr., Nancy Hawthorne, James D. Kern, Deborah McAneny and Jane Musser Nelson as directors of the Company, each to serve until the 2023 Annual Meeting of Stockholders or until their successors are duly elected and qualified;
2. To ratify the appointment of PricewaterhouseCoopers LLP as the independent registered public accounting firm for the Company for the fiscal year ending December 31, 2022; and
3. To approve the adjournment of the Annual Meeting, if necessary or appropriate, to solicit additional proxies.

Stockholders may also be asked to consider and vote on such other business as may properly come before the Annual Meeting.

Voting Information

Record Date and Voting Securities

The record date for the Annual Meeting is the close of business on April 21, 2022 (the “Record Date”). You may cast one vote for each share of common stock that you owned as of the Record Date. All shares of common stock have equal voting rights and we do not have, nor does our certificate of incorporation authorize us to issue, any other class of equity security, other than preferred. On April 21, 2022, 29,941,732 shares of common stock were outstanding.

Quorum Required

A quorum must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, virtually or by proxy, of the holders of a majority of the shares of common stock outstanding on the Record Date will constitute a quorum. Abstentions will be treated as shares present for quorum purposes. Shares for which brokers have not received voting instructions from the beneficial owner of the shares and do not have discretionary authority to vote the shares on certain proposals (which are considered “broker non-votes” with respect to such proposals) will be treated as shares present for quorum purposes.

If a quorum is not present at the Annual Meeting, the Chairperson of the Board or stockholders who are represented may adjourn the Annual Meeting until a quorum is present. The persons named as proxies will vote those proxies for such adjournment, unless such proxies are marked against with respect to Proposal 3, to permit the further solicitation of proxies.

Submitting Voting Instructions for Shares Held Through a Broker

If you hold shares of common stock through a broker, bank or other nominee, you must follow the voting instructions you receive from your broker, bank or nominee. Shares held beneficially in street name may be voted by you at the Annual Meeting only if you obtain a legal proxy from the broker, bank, trustee or nominee that holds your shares giving you the right to vote the shares. If your shares are held by a broker on your behalf and you do not instruct the broker as to how to vote these shares on Proposals 1 or 3 the broker may not exercise discretion to vote for or against those proposals. These shares will not be counted as having been voted on the applicable proposal. Please instruct your bank or broker so your vote can be counted.

Authorizing a Proxy for Shares Held in Your Name

If you are a record holder of shares of common stock, you may authorize a proxy to vote on your behalf by following the instructions provided on the Notice of Internet Availability of Proxy Materials. Authorizing your proxy will not limit your right to participate in the Annual Meeting and vote your shares online. A properly completed and submitted proxy will be voted in accordance with your instructions, unless you subsequently revoke your instructions. If you authorize a proxy without indicating your voting instructions, the proxyholder will vote your shares according to the Board’s recommendations. Stockholders of record may also vote either via the Internet or by telephone. Your Internet or telephone vote authorizes the named proxies to vote your shares in the same manner as if you had marked, signed and returned a proxy card. A stockholder that votes through the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, which will be borne by the stockholder.

Receipt of Multiple Proxy Cards

Some of the Company’s stockholders hold their shares in more than one account and may receive a separate Notice of Internet Availability of Proxy Materials for each of those accounts. To ensure that all of your shares are represented at the Annual Meeting, we recommend that you vote by following the instructions in each Notice of Internet Availability of Proxy Materials you receive.

Revoking Your Proxy

If you are a stockholder of record, you can revoke your proxy at any time before it is exercised by (1) delivering a written revocation notice prior to the Annual Meeting to our Secretary, Sabrina Rusnak-Carlson, at First Eagle Alternative Capital BDC, Inc., 500 Boylston Street, Suite 1200, Boston, MA 02116, Attention: Corporate Secretary; (2) submitting a later-dated proxy that we receive no later than the conclusion of voting at the Annual Meeting; or (3) participating in the virtual Annual Meeting and voting online. If you hold shares of common stock through a broker, bank or other nominee, you must follow the instructions you receive from your nominee in order to revoke your voting instructions. Participating in the Annual Meeting does not revoke your proxy unless you also vote online at the Annual Meeting.

Internet and telephone procedures for voting and for revoking or changing a vote are designed to authenticate stockholders' identities, to allow stockholders to give their voting instructions and to confirm that stockholders' instructions have been properly recorded. A stockholder that votes through the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, which will be borne by the stockholder.

List of Stockholders of Record

A list of our stockholders entitled to vote at the Annual Meeting will be open for examination by any stockholder for any purpose germane to the Annual Meeting for a period of 10 days prior to the Annual Meeting at our principal executive offices at 500 Boylston Street, Suite 1200, Boston, MA 02116, and electronically during the Annual Meeting at www.virtualshareholdermeeting.com/FCRD2022 when you enter your 16-Digit Control Number.

Information Regarding This Solicitation

The Company will bear the expense of the solicitation of proxies for the Annual Meeting. We have requested that brokers, nominees, fiduciaries and other persons holding shares in their names, or in the names of their nominees, which are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners. We will reimburse such persons for their reasonable expenses in so doing.

In addition to mail and email, proxies may be solicited personally via the Internet or by telephone or facsimile transmission by directors or officers of the Company or officers or employees of First Eagle Alternative Credit, LLC (the “Advisor”), our investment adviser (without special compensation).

Costs of Solicitation

We pay the cost of soliciting proxies. Proxies will be solicited on behalf of the Board by mail, telephone, other electronic means or personally. We have retained Kingsdale Advisors 745 Fifth Avenue, Suite 500, New York, New York 10151, to help with the solicitation for a fee of \$9,500 plus reasonable out-of-pocket costs and expenses. We will reimburse brokerage firms and other custodians, nominees and fiduciaries their reasonable out-of-pocket expenses for forwarding solicitation materials to stockholders and obtaining their votes.

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth, as of April 21, 2022, the beneficial ownership of each current director, the nominees for director, the Company's executive officers, each person known to us to beneficially own 5% or more of the outstanding shares of our common stock, and the executive officers and directors as a group. Percentage of beneficial ownership is based on 29,941,732 shares of common stock outstanding as of April 21, 2022.

Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission (the "SEC") and includes voting or investment power with respect to the securities. Ownership information for those persons who beneficially own 5% or more of our shares of common stock is based upon filings by such persons with the SEC and other information obtained from such persons, if available.

Unless otherwise indicated, the Company believes that each beneficial owner set forth in the table has sole voting and investment power and has the same address as the Company. The Company's directors are divided into two groups—interested directors and independent directors. Interested directors are "interested persons" of First Eagle Alternative Capital BDC, Inc. as defined in Section 2(a)(19) of the 1940 Act. Unless otherwise indicated, the address of all executive officers and directors is c/o First Eagle Alternative Capital BDC, Inc., 500 Boylston Street, Suite 1200, Boston, MA 02116.

PROPOSAL 1—TO ELECT CHRISTOPHER J. FLYNN, EDMUND P. GIAMBASTIANI, JR., NANCY HAWTHORNE, JAMES D. KERN, DEBORAH MCANENY AND JANE MUSSER NELSON AS DIRECTORS OF THE COMPANY, EACH TO SERVE UNTIL THE 2023 ANNUAL MEETING OF STOCKHOLDERS OR UNTIL THEIR SUCCESSORS ARE DULY ELECTED AND QUALIFIED

Our business and affairs are managed under the direction of the Board. Pursuant to our Amended and Restated Certificate of Incorporation, as amended, the Board may modify, by amendment to our By-Laws, the number of members of the Board provided that the number of directors will not be fewer than two or greater than nine and that no decrease in the number of directors shall shorten the term of any incumbent director. The Board currently consists of six members, of whom five are not “interested persons” of the Company, as defined in Section 2(a)(19) of the 1940 Act. Rule 5606(b) of The NASDAQ Global Select Market rules require that the Company maintain a majority of the members of the Board that are considered independent and are not “interested persons” (as defined in the 1940 Act) of the Company or the Advisor (collectively, the “Independent Directors”) further provides that a director of a business development company (“BDC”) shall be considered to be independent if he or she is not an “interested person” of the Company, as defined in Section 2(a)(19) of the 1940 Act.

Each of the directors will hold office until the next Annual Meeting of Stockholders or until his or her successor is duly elected and qualified or such director’s earlier resignation, death or removal. At each Annual Meeting, the successors to the directors will be elected to hold office for a term expiring at the next Annual Meeting of Stockholders and until their successors have been duly elected and qualified or any director’s earlier resignation, death or removal.

Messrs. Flynn, Giambastiani, and Kern and Mses. Hawthorne, McAneny and Nelson have each been nominated for re-election for terms expiring at the 2023 Annual Meeting of Stockholders and have indicated their willingness to continue to serve if elected and have consented to be named as nominees. No person being nominated as a director is being proposed for election pursuant to any agreement or understanding between any such person and the Company.

Required Vote

A stockholder can vote for or withhold authority for each of the nominees. A director nominee will be elected by the affirmative vote of the holders of a plurality of shares present and participating or represented by proxy at the Annual Meeting and entitled to vote on the election of directors. Under plurality voting, directors receiving the most “for” votes are elected. Since only “for” votes are counted, not any “withhold” votes or abstentions, in an uncontested election (i.e., an election where the only nominees are those proposed by the Board) theoretically a director could be elected with only one “for” vote, despite an overwhelming number of “withhold” votes. Shares represented by broker non-votes are not considered entitled to vote and thus are not counted for purposes of determining whether each of the nominees for election as a director have been elected. In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy FOR the election of the nominees named below. If a bona fide nominee is unable to serve or for good cause will not serve as a director, it is intended that the proxy will be voted for the election of such person nominated as a replacement. The Board has no reason to believe that the persons named will be unable or unwilling to serve.

The Board unanimously recommends a vote “FOR” this proposal.

Board Leadership Structure

The Board monitors and performs an oversight role with respect to our business and affairs, including with respect to investment practices and performance, compliance with regulatory requirements and the services, expenses and performance of service providers to us. Among other things, the Board approves the appointment of our investment adviser and related investment management agreement and administration agreement and our officers, reviews and monitors the services and activities performed by our investment adviser and our executive officers and approves the engagement, and reviews the performance of, our independent registered public accounting firm.

CEO as Director

The Board's governance structure is strengthened by having its CEO serve as a director on the Board, together with an independent chairperson. The Board believes this provides an efficient and effective leadership model for the Company. Including our CEO on the Board fosters clear accountability, effective decision-making, and alignment on corporate strategy.

No single leadership model is right for all companies at all times. The Board recognizes that, depending on the circumstances, other leadership models might be appropriate. Accordingly, the Board periodically reviews its leadership structure.

Moreover, the Board believes that its governance practices provide adequate safeguards against any potential risks that might be associated with having its CEO on the Board. Specifically:

- A supermajority of the directors of the Company are Independent Directors;
- All of the members of the Audit Committee and Governance and Compensation Committee are Independent Directors;

Table of Contents

- The Board and its committees regularly conduct scheduled meetings in executive session, out of the presence of Mr. Flynn and other members of management;
- The Board's Independent Directors and the Board's committees consult with independent legal counsel out of the presence of Mr. Flynn and other members of management;
- The Independent Directors periodically meet with the Company's Chief Compliance Officer, out of the presence of Mr. Flynn and other members of management;
- The Board and its committees regularly conduct meetings that specifically include Mr. Flynn;
- The Board and its committees remain in close contact with, and receive reports on various aspects of the Company's management and enterprise risk directly from the Company's senior management and independent auditors;
- The Board and its committees interact with employees of the Company outside the ranks of senior management; and
- The Chairperson of the Board is an Independent Director.

The Board believes that having a CEO who also serves as a director on the Board, having an independent Chairperson, and having experienced directors that conduct at least an annual Board self-evaluation, among other things, provides the right leadership structure for the Company and is best for the Company and its stockholders at this time.

Board's Role In Risk Oversight

The Board performs its risk oversight function primarily through (i) its standing committees, which report to the entire Board and are comprised solely of Independent Directors, and (ii) active monitoring of our Chief Compliance Officer and our compliance policies and procedures.

Day-to-day risk management with respect to the Company is the responsibility of the Advisor and in some cases, other service providers to the extent that risk management is delegated to third parties, but in all cases, risk management is subject to the supervision of the Advisor. The Company is subject to a number of risks, including investment, compliance, operational and valuation risks, among others. While there are a number of risk management functions performed by the Advisor and the other service providers, as applicable, it is not possible to eliminate all of the risks applicable to the Company. Risk oversight is part of the Board's general oversight of the Company and is addressed as part of various board and committee activities. The Board, directly or through a committee, also reviews reports from, among others, management, the independent registered public accounting firm for the Company and internal accounting personnel for the Advisor, as appropriate, regarding risks faced by the Company and management's or its service providers' risk functions. Nancy Hawthorne, an Independent Director, serves as Chairperson of the Board. The Board believes that it is in the best interests of the stockholders for Ms. Hawthorne to lead the Board because of her familiarity with our business and investment objective, her broad experience with the day-to-day management and operation of other investment funds and her significant background in the financial services industry, as described above. The Board believes that its leadership structure is appropriate because the structure allocates areas of responsibility among the individual directors and the committees in a manner that enhances effective oversight. The committee system facilitates the timely and efficient consideration of matters by the directors, and facilitates effective oversight of compliance with legal and regulatory requirements and of the Company's activities and associated risks. The Board also believes that its size creates an efficient corporate governance structure that provides opportunity for direct communication and interaction between management and the Board.

The Board has appointed a Chief Compliance Officer, who oversees the implementation and testing of the Company's compliance program and reports to the Board regarding compliance matters for the Company and the Advisor. The Independent Directors have engaged independent legal counsel to assist them in performing their oversight responsibilities.

We believe that the role of the Board in risk oversight is effective and appropriate given the extensive regulation to which we are already subject as a BDC. As a BDC, we are required to comply with certain regulatory requirements that control the levels of risk in our business and operations. For example, we are limited in our ability to enter into transactions with our affiliates, including investing in any portfolio company in which one of our affiliates currently has an investment.

Transactions with Related Persons

Investment Management Agreement

On January 28, 2020, the Board unanimously approved the investment management agreement (the “Investment Management Agreement”) between us and the Advisor. The Investment Management Agreement received stockholder approval at a special stockholder meeting held on May 28, 2020. Upon receipt of stockholder approval, the Investment Management Agreement went into effect.

The Investment Management Agreement consists of a base management fee and an incentive fee that consists of two components: incentive fee on net investment income and incentive fee on capital gains. The two components are determined independent of each other. For the year ended December 31, 2021, we incurred base management fees of \$4.0 million, gross of any waivers. For the year ended December 31, 2021, we were issued a base management fee waiver of \$879 thousand. As of December 31, 2021, \$1.1 million was payable to the Advisor. Under the administration agreement, the Advisor performs, or oversees the performance of administrative services necessary for our operation, which include, among other things, being responsible for the financial records which we are required to maintain and preparing reports to our stockholders and reports filed with the SEC. In addition, the Advisor assists in determining and publishing our net asset value, oversees the preparation and filing of our tax returns and the printing and dissemination of reports to our stockholders, and generally oversees the payment of our expenses and the performance of administrative and professional services rendered to us by others. We will reimburse the Advisor for our allocable portion of the costs and expenses incurred by the Advisor for overhead in performance by the Advisor of its duties under the administration agreement and the investment management agreement, which may include facilities, office equipment and our allocable portion of cost of compensation and related expenses of our chief financial officer and chief compliance officer and their respective staffs, as well as any costs and expenses incurred by the Advisor relating to any administrative or operating services provided by the Advisor to us. The Board reviews the allocation methodologies with respect to such expenses. Such allocated costs are reflected as administrator expenses in the accompanying Consolidated Statements of Operations. Under the administration agreement, the Advisor provides, on our behalf, managerial assistance to those portfolio companies to which we are required to provide such assistance. To the extent that the Advisor outsources any of its functions, we pay the fees associated with such functions on a direct basis without profit to the Advisor.

For the year ended December 31, 2021, we incurred administrator expenses of \$901 thousand. As of December 31, 2021, \$118 thousand in administrator expenses were due to the Advisor, which was included in accrued administrator expenses on the Consolidated Statements of Assets and Liabilities.

We act as the investment adviser to First Eagle Greenway Fund II LLC (“Greenway II”) and are entitled to receive certain fees. As a result, Greenway II is classified as an affiliate. As of December 31, 2021, \$44 thousand of total fees and expenses related to Greenway II were included in due from affiliate on the Consolidated Statements of Assets and Liabilities.

For our controlled equity investments, as of December 31, 2021, we had \$2.3 million of dividends receivable from First Eagle Logan JV LLC (“Logan JV”) and \$238 thousand of interest and fees from OEM Group, LLC, included in interest, dividends, and fees receivable on the Consolidated Statements of Assets and Liabilities.

Review, Approval or Ratification of Transactions with Related Persons

The Audit Committee of the Board is required to review and approve any transactions with related persons (as such term is defined in Item 404 of Regulation S-K).

Delinquent Section 16(a) Reports

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own 10% or more of our voting stock, to file reports of ownership and changes in ownership of our equity securities with the SEC. Directors, executive officers and 10% or more holders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. Based solely on a review of the copies of those forms filed with the SEC, or written representations that no such forms were required, we believe that our directors, executive officers and 10% or more holders complied with all Section 16(a) filing requirements during the year ended December 31, 2021 except as follows: Edward J. Giordano’s Form 3 filing on September 27, 2021 was late due to an administrative delay.

Director Independence

In accordance with rules of The NASDAQ Global Select Market, the Board annually determines the independence of each director. No director is considered independent unless the Board has determined that he or she has no material relationship with the Company. The Company monitors the status of its directors and officers through the activities of the Company’s Governance and Compensation Committee and through a questionnaire to be completed by each director no less frequently than annually, with updates periodically if information provided in the most recent questionnaire has changed.

In order to evaluate the materiality of any such relationship, the Board uses the definition of director independence set forth in The NASDAQ Global Select Market rules. The NASDAQ Global Select Market rules provides that a director of a BDC shall be considered to be independent if he or she is not an “interested person” of the Company, as defined in Section 2(a)(19) of the 1940 Act. Section 2(a)(19) of the 1940 Act defines an “interested person” to include, among other things, any person who has, or within the last two years had, a material business or professional relationship with the Company.

The Board has determined that each of the directors and nominees is independent and has no relationship with the Company, except as a director and in some cases, as a stockholder of the Company, with the exception of Mr. Flynn. Mr. Flynn is an interested persons of the Company due to his position as an officer of the Company.

Annual Evaluation

Our directors perform an evaluation, at least annually, of the effectiveness of the Board and its committees. This evaluation includes an annual questionnaire and the Board and Board committee discussion and is conducted by legal counsel to the Independent Directors.

Board Meetings and Committees

The Board met 5 times during fiscal year 2021. Each director attended at least 75% of the total number of meetings of the Board and committees on which the director served that were held while the director was a member of such committees. The Board's standing committees are set forth below. We require each director to make a diligent effort to attend all Board and committee meetings, as well as each Annual Meeting of Stockholders. Two of our directors attended our 2021 Annual Meeting of Stockholders.

Executive Sessions and Communications with Directors

The Independent Directors intend to meet in executive sessions at the conclusion of each regularly scheduled meeting of the Board, and additionally as needed, without the presence of any directors or other persons who are part of the Company's management. These executive sessions of the Board will be presided over by Ms. Hawthorne, the Chairperson of the Board.

Stockholders and other interested parties may contact any member (or all members) of the Board by mail or electronically. To communicate with the Board, any individual directors or any group or committee of directors, correspondence should be addressed to the Board or any such individual directors or group or committee of directors by either name or title. Audit Committee

The Audit Committee is presently composed of three persons, Deborah McAneny (Chairperson), Nancy Hawthorne and Jane Musser Nelson, all of whom are considered independent for purposes of the 1940 Act and The NASDAQ Global Select Market listing standards. The Board has determined that each member of our Audit Committee is an "audit committee financial expert" as defined under Item 407(d)(5) of Regulation S-K of the Securities Exchange Act of 1934, or the Exchange Act. In addition, each member of our Audit Committee meets the current independence and experience requirements of Rule 10A-3 of the Exchange Act and, in addition, is not an "interested person" of the Company or of the Advisor as defined in Section 2(a)(19) of the 1940 Act. The Audit Committee met four times during the 2021 fiscal year.

The Audit Committee operates pursuant to a charter approved by the Board. The charter sets forth the responsibilities of the Audit Committee. The primary function of the Audit Committee is to serve as an independent and objective party to assist the Board in fulfilling its responsibilities for overseeing and monitoring the quality and integrity of our financial statements, the adequacy of our system of internal controls, the review of the independence and performance of, as well as communicate openly with, our registered public accounting firm, the performance of our internal audit function and our compliance with legal and regulatory requirements.

Governance and Compensation Committee

At our March 7, 2017 Board of Directors meeting, the Board unanimously approved the combination of the Governance Committee and the Compensation Committee to form the Governance and Compensation Committee. The Governance and Compensation Committee operates pursuant to a charter approved by the Board, which combines the responsibilities of the previous Governance Committee and Compensation Committee, including: (i) making nominations, in compliance with our nominating procedures ("Nominating Procedures"), for the appointment or election of Independent Directors, personnel training policies and administering the provisions of the code of ethics and the code of ethics and business conduct applicable to the Independent Directors, and (ii) overseeing the Company's compensation policies, evaluating executive officer performance and reviewing and approving the compensation, if any, by the Company of its executive officers. The Nominating Procedures set forth our policy regarding director qualifications and skills, the process for identifying and evaluating director nominees and directors available for re-election, the process for evaluating director candidates nominated by stockholders, the process regarding stockholder communications with the Board and the policy regarding directors' attendance at annual meetings.

The Governance and Compensation Committee currently consists of James D. Kern (Chairperson), Nancy Hawthorne and Edmund Giambastiani Jr., all of whom are considered independent for purposes of the 1940 Act and The NASDAQ Global Select Market listing standards. The Governance and Compensation Committee met two times during the 2021 fiscal year.

The Governance and Compensation Committee will consider qualified director nominees recommended by stockholders when such recommendations are submitted in accordance with our bylaws and the Nominating Procedures and any other applicable law, rule or regulation regarding director nominations. Stockholders may submit candidates for nomination for the Board by writing to: Board of Directors, First Eagle Alternative Capital BDC, Inc., 500 Boylston Street, Suite 1200, Boston, MA 02116. When submitting a nomination to us for consideration, a stockholder must provide certain information proving his status as a stockholder and certain information about each person whom the stockholder proposes to nominate for election as a director, including: (i) the name of the stockholder and evidence of the person's ownership of shares of the Company, including the number of shares owned and the length of time of ownership, (ii) the name of the candidate, the candidate's resume or a listing of his or her qualifications to be a director of the Company, and if requested by the Governance and Compensation Committee, a completed and signed director's questionnaire, (iii) the class, series (if applicable) and number of shares of our capital stock owned beneficially or of record by such individual; (iv) the date such shares were acquired and the investment intent of such acquisition; (v) whether such stockholder believes any such individual is, or is not, an "interested person" of the Company, as defined in the 1940 Act or is, or is not, "independent" as set forth in the Nasdaq Global Select Market listing standards, and information regarding such individual that is sufficient, in the discretion of the Board or any committee thereof or any authorized officer of the Company, to make either such determination, and (vi) all other information relating to such individual that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act, and the rules and regulations promulgated thereunder. Such notice must be accompanied by the proposed nominee's written consent to be named as a nominee and to serve as a director if elected.

One of the goals of the Governance and Compensation Committee is to assemble a board of directors that brings us a variety of perspectives and skills derived from high quality business and professional experiences. In considering possible candidates for election as a director, the Governance and Compensation Committee takes into account, in addition to such other factors as it deems relevant, the desirability of directors who:

- are of high character and integrity;

Table of Contents

- are accomplished in their respective fields, with superior credentials and recognition;
- have relevant expertise and experience upon which to be able to offer advice and guidance to management;
- have sufficient time available to devote to the affairs and business of the Company;
- are able to work with the other members of the Board and contribute to the success of the Company;
- can represent the long-term interests of the Company's stockholders as a whole; and
- are selected such that the Board represents a range of backgrounds and experience.

The Governance and Compensation Committee also considers all applicable legal and regulatory requirements that govern the composition of the Board.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the Governance and Compensation Committee may also consider such other factors as it may deem are in our best interests and those of our stockholders. The Governance and Compensation Committee also believes it appropriate for certain key members of our management to participate as members of the Board. The Governance and Compensation Committee does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees. We believe that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities. The Board does not have a specific diversity policy, but considers diversity of race, religion, national origin, gender, sexual orientation, disability, cultural background and professional experiences in evaluating candidates for Board membership.

The Governance and Compensation Committee identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service or if the Governance and Compensation Committee or the Board decides not to re-nominate a member for re-election, the Governance and Compensation Committee identifies the desired skills and experience of a new nominee in light of the criteria above. Current members of the Governance and Compensation Committee and Board are polled for suggestions as to individuals meeting the criteria of the Governance and Compensation Committee. Research may also be performed to identify qualified individuals. We have not engaged third parties to identify or evaluate or assist in identifying potential nominees to the Board.

In reviewing and approving the compensation, if any, by the Company for each of the Company's executive officers, the Governance and Compensation Committee will, among other things, consider corporate goals and objectives relevant to executive officer compensation, evaluate each executive officer's performance in light of such goals and objectives, and set each executive officer's compensation based on such evaluation and such other factors as the Governance and Compensation Committee deems appropriate and in the best interests of the Company (including the cost to the Company of such compensation). Notwithstanding the foregoing, currently none of the Company's executive officers are directly compensated by the Company. However, the Company reimburses its administrator for the allocable portion of overhead and other expenses incurred by the administrator in performing its obligations under an administration agreement, including an allocable share of the compensation of certain of the Company's executive officers with finance, legal and/or compliance responsibilities.

A charter of the Governance and Compensation Committee and the Nominating Procedures is available in print to any stockholder who requests a copy, and is also available on the Company's website at <https://investor.feacbd.com/>.

Code of Ethics and Business Conduct

We have adopted a Code of Ethics and Business Conduct that applies to, among others, our executive officers, including our Principal Executive Officers and Principal Financial Officer, as well as every officer, director and employee of the Company. Requests for copies should be sent in writing to First Eagle Alternative Capital BDC, Inc., 500 Boylston Street, Suite 1200, Boston, MA 02116. The Company's Code of Ethics and Business Conduct is also available on our website at <https://investor.feacbd.com/>.

If we make any substantive amendment to, or grant a waiver from, a provision of our Code of Ethics and Business Conduct, we will promptly disclose the nature of the amendment or waiver on our website at <https://investor.feacbd.com/> as well as file a Form 8-K with the Securities and Exchange Commission.

Executive Compensation

None of our executive officers receive direct compensation from us. We do not engage any compensation consultants. The compensation of the Executive Officers and other investment professionals of the Advisor are paid by the Advisor. Further, we are prohibited under the 1940 Act from issuing equity incentive compensation, including stock options, stock appreciation rights, restricted stock and stock, to our officers, directors and employees.

**PROPOSAL 2: TO RATIFY THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS THE
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE COMPANY FOR THE FISCAL YEAR ENDING
DECEMBER 31, 2022**

Upon the recommendation of the Audit Committee, the Board has retained PricewaterhouseCoopers LLP (“PwC”) as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2022, subject to ratification by the Company’s stockholders.

Independent Auditor’s Fees

The following table presents fees incurred by the Company for the fiscal years ended December 31, 2021 and 2020 for the Company’s principal accounting firm, PricewaterhouseCoopers LLP.

	<u>2021</u>	<u>2020</u>
Audit Fees	\$ 703,000	\$ 635,000
Audit-Related Fees	205,000	76,000
Tax Fees	119,680	126,850
All Other Fees	2,956	956
Total Fees	<u>\$ 1,030,636</u>	<u>\$ 838,806</u>

Audit Fees: Audit fees consist of fees billed for professional services rendered for the audit of our year-end consolidated financial statements and reviews of the condensed consolidated financial statements filed with the SEC on Forms 10-K and 10-Q, as well as work generally only the independent registered public accounting firm can be reasonably expected to provide, such as review of documents filed with the SEC, including certain Form 8-K filings.

Audit-Related Fees: Audit-related services consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under “Audit Fees”. These services include, among other things, providing comfort letters and consents related to filings made with the SEC, as well as attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards.

Tax Fees. Tax fees consist of fees billed for professional services for tax compliance. These services include assistance regarding federal, state, and local tax compliance.

All Other Fees. All other fees would include fees for products and services other than the services reported above.

Required Vote

The affirmative vote of a majority of the votes cast at the Annual Meeting participating in or by proxy is required to approve this proposal. Abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal. Because brokers will have discretionary authority to vote for the ratification of the selection of the Company’s registered independent public accounting firm in the event that they do not receive voting instructions from the beneficial owner of shares of our common stock, there should not be any broker non-votes with respect to this proposal.

The Board unanimously recommends a vote “FOR” this proposal.

Audit Committee Report

As part of its oversight of First Eagle Alternative Capital BDC, Inc.'s financial statements, the Audit Committee reviewed and discussed with both management and the Company's independent registered public accounting firm all of the Company's financial statements filed with the SEC for each quarter during fiscal year 2021 and for the year ended December 31, 2021. Management advised the Audit Committee that all financial statements were prepared in accordance with GAAP, and reviewed significant accounting issues with the Audit Committee. The Audit Committee discussed with the independent registered public accounting firm the matters required to be discussed by Auditing Standard No. 16, Communication with Audit Committees, as adopted by the Public Company Accounting Oversight Board in Release No. 2012-004. The independent registered public accounting firm also provided to the Audit Committee the written disclosures and the letter required by applicable requirements of the Public Corporation Accounting Oversight Board Rule 3526, *Communications with Audit Committees*, regarding the independent accountant's communications with the Audit Committee concerning independence, and the Audit Committee discussed with the independent registered public accounting firm the firm's independence.

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax, and other services to be provided by PricewaterhouseCoopers LLP, the Company's independent registered public accounting firm. Pursuant to the policy, the Audit Committee pre-approves the audit and non-audit services performed by the independent registered public accounting firm in order to assure that the provision of such service does not impair the firm's independence.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

The Audit Committee has reviewed the audit fees paid by the Company to the independent registered public accounting firm. It has also reviewed non-audit services and fees to assure compliance with the Company's and the Audit Committee's policies restricting the independent registered public accounting firm from performing services that might impair its independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the financial statements as of and for the year ended December 31, 2021, be included in the Company's Annual Report on Form 10-K for filing with the SEC. The Audit Committee also recommended the selection of PricewaterhouseCoopers LLP to serve as the independent registered public accounting firm of the Company for the year ending December 31, 2022.

Audit Committee

Nancy Hawthorne, Member
Jane Musser Nelson, Member

The Audit Committee Report does not constitute soliciting material, and shall not be deemed to be filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates the Audit Committee Report by reference.

**PROPOSAL 3: TO APPROVE THE ADJOURNMENT OF THE ANNUAL MEETING, IF NECESSARY
OR APPROPRIATE, TO SOLICIT ADDITIONAL PROXIES**

Required Vote

Approval of this proposal requires the affirmative vote of the holders of a majority of the shares present participating or represented by proxy at the Annual Meeting and entitled to vote on the proposal. For purposes of the vote on this proposal, abstentions and broker non-votes will have the effect of a vote against this proposal.

The Board unanimously recommends a vote “FOR” the adjournment of the Annual Meeting, if necessary or appropriate, to solicit additional proxies.
